INVITATION TO BID FOR WORKS; TO CARRYOUT A COMPLETE REFURBISHMENT OF THE TOILETS IN LEONARD STANLEY VILLAGE HALL

Please find below the specifications for these works.

You must supply at least one reference (this should be preferably from a qualified surveyor).

You must confirm whether you can carry out and complete the works in August 2018. Please submit an outline of construction (with dates).

Bids should be sent in a sealed envelope (marked 'BID FOR WORKS – LSVH') and addressed to Mrs Irena Litton, The Clerk Leonard Stanley Parish Council, 34 Dozule Close, Leonard Stanley. GL10 3NL.

Arrangements to view the building should be made via the Booking Secretary; Maureen Kerry on 01453 828972. Any questions regarding the work should be made to The Clerk for LSPC.

The Closing Date for bids is 6pm on Monday 2nd July 2018.

Important Notes:

- a. Leonard Stanley Parish Council reserves the right not to accept the lowest quote. Consideration will be given to firms who can carry out the work within an acceptable timeframe (the hall will be closed during the works).
- b. A copy of your Contractors Insurance, Insurance to Works and Public Liability Insurance must be provided.
- c. Procedures should be in place to ensure that a detailed risk assessment is completed and all contractors have received the relevant Health and Safety training.
- d. You will be responsible for ensuring that all work carried out is compliant with current Building Regulations.
- e. You will be responsible for ensuring that contractors are suitably qualified for the work they are undertaking.
- f. Further works not detailed must be brought to The Clerks attention for authorisation prior to any alterations being carried out.

Leonard Stanley Village Hall Toilet Project

Works to include

In all WCs:

Strip out original sanitary ware

Remove tiles from walls

Overboard and skim ceilings or remove and replace ceiling

Decorate ceiling

Prepare walls for tiling

Take up chipboard flooring and lay 22mm chipboard over joists

Lay new non-slip flooring turned up at the walls

Lay new waste pipes to suit reconfiguration of sanitary ware

Tile walls from floor to ceiling (large cream rectangular tiles with light grey banding, grey grout – allow up to £15 m²)

Remove lighting

Replace lighting with automatic sensor LEDs

To supply and fit automatic extractor fans

To supply and fit new hand dryers

To alter electrics to allow for changes to lighting/taps/fan

To fit toilet roll holders as required

To fit soap dispensers as required

Dispose of all rubbish

To supply and fit new doors from the corridor into the toilets
