Gypsy Lane Flooding:-

Julia Bogdiuliewicz, the churchwarden for St Swithun's reported to the Council that Gypsy Lane has flooded 3 times this year. In the early hours of the 1st January, volunteers spent nearly two hours clearing the drains to ensure that the Church was saved from flooding. The Gypsy Lane entrance to the Church is currently shored up with sandbags, but this is causing difficulties for the elderly and disabled to access the Church.

Several suggestions were put forward to rectify the problem, which have all previously been passed to Highways. The Members expressed their dissatisfaction with how Highways have ignored their concerns raised with regards the flooding in Gypsy Lane, and assured the public present that the Council are in constant contact with Highways. (The Chairman suggested that a copy of this communication is published in the village newsletter). **CLERK**

S.13/2190/FUL Chapel House, The Street – Erection of one dwelling.

10/14. To consider a response on Electoral Changes (as a result of a Boundary Review for Stroud District Council)

The Clerk reported that under the current system, the District Councillors are elected for a term of 4 years. Elections are held in years one, two and three for a third of all Council seats, with the County Council elections held in year four. If the Council were to move to full council elections every four years, the potential saving would be £275K over the four years.

If the Council remained with elections in thirds, then each Ward would have to have 3 Councillors, and elections may not coincide with Parish Council elections, therefore the Parish Council may have to pick up the cost of these elections.

The Council agreed to respond to the consultation requesting 'Full Council Elections'.
