

**TEMPORARY CLOSURE OF PUBLIC FOOTPATHS MSL 12, 13 AND 14 AND MKS 25
LEONARD STANLEY AND KINGS STANLEY STROUD DISTRICT**

NOTICE is hereby given that the Secretary of State for Transport has extended the Order to close temporarily under Sections 14, 15 and 16 of the Road Traffic Regulation Act, 1984 (as amended) the following:-

Public Footpath MLS 13 (Leonard Stanley) from its junction with Douzule Close, north-easterly of Tregenna and runs in a generally easterly then south-easterly direction for approximately 338 metres to its junction with Public Footpath MKS 25, west-north-westerly of Old Castle Farmhouse.

Part of Public Footpath MKS 25 (Kings Stanley) from its junction with Public Footpath MLS 13 (also closed), west-north-westerly of Old Castle Farmhouse and runs in a generally south-easterly direction for approximately 25 metres to the stream west of Old Castle Farmhouse.

Public Footpath MLS 14 (Leonard Stanley) is to be temporarily closed from its junction with Public Footpath MLS 13 (also closed), west-north-westerly of Old Castle Farmhouse and runs in a generally north-north-easterly direction for approximately 236 metres to its junction with Bath Road at OSGR SO 8094/0350 north-west of Bath Row Cottages.

Public Footpath MLS 12 (Leonard Stanley) is to be temporarily closed from its junction with Bath Road, north-westerly of Bath Row Cottages and runs in a generally south-westerly direction for approximately 435 metres to its junction with Public Footpath MLS 13 (also closed), east-north-easterly of Tregenna.

The closure is necessary due to the field being occupied as a development site. Construction traffic and preparation of the site means the walking public could be at risk.

This temporary closure Order came into force on the 17th October 2016 and the current closure ends on the 15th October 2018. Works to rectify the problem have still not completed, and a further extension has been granted, and will last until 1st June 2020 or completion of the works whichever is the earlier.

There is no alternative route.
