Quotes for providing a Bus Shelter in Bath Road

As per the *resolution agreed in the June meeting, please find below the quotes for providing a bus shelter in Bath Road. ** Clerks briefing prior to the meeting (*Note this was based on information from Shelterstore, where the cost of the shelter is £1500 but is an additional £1750 for delivery and installation*).

***59/18. To consider installing a bus shelter, the school side of Bath Road**

The Clerk had provided the Members with an estimate of costs prior to the meeting.

The Council unanimously approved installing a bus shelter, by the school in Bath Road.

**For you to consider this - the cost of a bus shelter similar to the one installed opposite the co-op is £1500 plus installation and insurance costs.

Quotes:

- 1) Shelterstore. £3250 includes installation but not the concrete hard standing that would be required.
- 2) Glasdon. £4059 for the shelter only. (Doesn't include the cost of installation or hard standing that would be required).
- 3) Externiture. £4022 for the shelter, installation and hard standing.
