

FILM CLUB Annual Report April 2021

We are all ready to restart once we have the government go ahead and have a choice of films to suit all tastes ready and waiting. All being well, we hope to start our Film Club around the July/August period and look forward to welcoming old and hopefully new members.

Again a big thank you to the Parish Council for the money they gave the Film Club which will enable us to carry on in this difficult time.

Jan Bogdiukiewicz
Chairman
