## NOTE FROM THE NEWSLETTER TEAM:

We are sorry to inform you that, after much thought, the Newsletter team has decided to transition to a monthly publication schedule. The next issue will therefore be Monday, 17<sup>th</sup> March to avoid clashing with The Village Magazine. This decision has not been made lightly, but seems necessary due to the limited number of items being submitted for inclusion in the Newsletter and the increasing trend of sharing news on social media platforms. We appreciate the support and regular contributions from Chris Phillips on behalf of the Friendship Group and the Film Club. We would welcome contributions from other groups/event organisers within the community so we can continue to keep people informed and connected, especially those who do not engage in social media. Thank you for your understanding and continued support.  
Best regards,  
The Newsletter Team

## FRIENDSHIP GROUP

There were 49 people at the meeting in February - well done! Details were given out for the outing in July and also that Pat and I will miss the March meeting unfortunately as we will be on a cruise. The speakers for February were Ian Thomas and Richard Kelsey who gave an illustrated talk on Steaming through Gloucestershire - British Railways 1950 - 1960 which everyone enjoyed and brought back memories of how it was. They also judged the handmade Valentine Cards - so thanks to all who entered.  
For the **10<sup>th</sup> March** meeting, our very own Liz Godsell will talk on Cheese making. Liz is a very good speaker and will bring along samples of the famous Godsell cheeses, which I know you will enjoy.
