**DEAR SUPPORTERS, THE LEONARD STANLEY**

**TWINNING ASSOCIATION** would like to apologise for any inconvenience caused at the recent Quiz night. The Leonard Stanley Village Hall only legally accommodates a certain amount of people & as an event organiser we are held responsible to ensure that only that amount of people are in the hall at any one time. On this particular occasion the quiz night attracted more people than was expected, many tables had been prior booked, leaving only a few spaces available on the night. We regrettably needed to refuse entry to a small number of people due to this restriction & to those people we can only apologise. We will review this incident as a Committee & put a process in place to ensure this doesn't reoccur. Thank you to everyone for your continued support of our Committee. With kind regards, The Leonard Stanley Twinning Association Committee.
