STRAY CAT (?) IN DOZULE CLOSE AREA - Do you own, or know who owns, a black & white long haired, unneutered male cat? Mostly black with a

white nose, neck, paws & back legs. We, along with several other neighbours in Dozule Close, are regularly visited by an un-neutered male black & white cat. He comes into our house, eats our own cat's food & sprays everywhere. I posted a message on the 'Love the Stanleys' Facebook page to see if anyone knows who he belongs to & a couple of people have suggested that he might be a stray. If this is your cat, or you know who he belongs to, please contact me on 07976806747. Thank You.

KNITTING OF POPPIES FOR LEONARD STANLEY WAR MEMORIAL - As the war memorial has been professionally cleaned by the Parish Council, it has been decided that in case the knitted poppies may stain it pink due to wet weather conditions, we will now erect two 6ft crosses either side of the memorial & cover them in our knitted poppies. Very many thanks to Roger Davies of Dozule for offering to make these FOC. Also another big thank you to all the many people who've knitted or are still knitting poppies, some individuals are actually knitting 200+ - Keep Them Coming! Chris Phillips.

A REMINDER or 2: The amount of items for the newsletter varies greatly during the year, please submit articles as soon as possible, as space is allocated on a 'first come, first served basis', there is no favouritism for groups or organisations over individuals - the newsletter is for everyone equally. Please can you submit any items for the newsletter **before 5pm** on the Friday prior to the newsletter coming out, I have had a couple of complaints about items not going into the newsletter, in both cases it was because they were submitted on Sundays-well beyond the deadline & I had already emailed the finished copy to the printers. I prepare the newsletter during the week & email it as soon as possible after 5pm on Friday as I can, in order that it leaves my weekends free. Many Thanks, Ed.
