Halloween 2020 might be a bit different this year and trick or treating as we know it will be off the cards. But we can still have loads of spooky fun!

This Halloween let's all join together to create The Big Neighbourhood Pumpkin Trail! Stick a pumpkin in your window or outside your home - a real one, plastic, painted....whatever you like! Together we can create one giant pumpkin trail in our local areas and children can see how many they can spot over Halloween weekend!
