

Wine Circle Annual Report April 2021

Unfortunately not a lot to report due to covid situation. However, the Chairman - Phil Bischler and committee have kept in touch with all its members during lockdown either by e mail or telephone to make sure they are coping ok and offering to collect prescriptions, groceries etc for anyone having difficulties.

We are so looking forward to starting up again in the village hall and getting together. No firm date at the moment but probably around July subject to government conditions.
